

# CAMP 2023 TRACKS

## CAMP HOBLITZELLE YOUR WAY!

Campers get to spend time exploring their interests by choosing a week-long activity tracks to customize their experience. The summer fun continues the remainder of the day while campers participate in fun camp activities, swimming, and evening programs.

There are 7 great options to choose from in summer 2023!

### *Project Wild*

Learn about the wild in the world at Camp Hoblitzelle as you learn about our animals, where our food comes from and experience our Texas wildlife up-close!

### *The Great Outdoors*

Camping, activity-based hiking and insect life, to name a few. Campers challenge themselves exploring in a week of fun learning all about our great outdoors.

### *Project Adventure*

Fun and adventure where it's all about the team! Whether it's working together at the Challenge Course, or having fun at Action Archery, campers will build confidence while exploring something new in our adventure activities at camp.

### *Taking Aim*

Using the NASP and BAIT curriculum our campers learn safety, skills and leadership while our trained specialist guide them at our Archery and Air Rifles activities.

### *Imagination Station*

Slime, explosions, chemistry, and robots! Campers will work on experiential projects that encourage learning and exploration. They will be amazed at what they can create in a week!

### *Art Exploration*

With inspiration all around get ready for a time of fun and exploration creating with a variety of mediums, and as your skills grow, so will your creativity.

### *Sports Exploration*

Whether you're a seasoned athlete or perfecting your skills, or you just want to have some fun, grab your tennis shoes and get ready to play, because there's nothing better than an active game with friends.
